No:PMEGP/DRPSCI/2013-14/

Date:25.06.2013

C I R C U L A R

Sub: Quality improvement in the PMEGP scheme as per suggestions received from Department Related Parliamentary Standing Committee on Industry (DRPSCI) – reg.

Department Related Parliamentary Standing Committee on Industry (DRPSCI) has been reviewing the Prime Minister's Employment Generation Programme (PMEGP) scheme regularly and has given their observations and recommendations for bringing in quality improvement in implementation of the scheme.

2. Accordingly following recommendations of the Committee are detailed below for further necessary action by the implementing agencies i.e KVIC, KVIB and DICs for compliance:

- a. The Committee noted that the District Level Task Force Committee (DLTFC) Meeting have to be conducted regularly, (by-monthly as per scheme guidelines). However, it is observed that same is not being followed in different States in the Country. The Committee directed that KVIC should strictly enforce that DLTFC meetings are conducted regularly and applications are short listed and forwarded to banks on regular basis instead of bunching the applications

during the last quarter of the year. Applications should be scrutinized as per the laid down procedure on first come first serve basis. In case the targets are already achieved with the applications received, concerned State/Divisional Directors should inform applicants accordingly.

- b. KVIC and Banks should focus on the Districts which are performing poorly under PMEGP scheme so that balanced and uniform development takes place in all the Districts of the States. District wise monitoring need to be done by KVIC for improving the performance of these states.
 - c. Awareness camps and workshops should be conducted in the Districts which are weak in PMEGP implementation to improve their performance and create awareness of the scheme amongst the unemployed persons in the Districts.
 - d. There is need to step up progress of District Level exhibitions for promoting the products of PMEGP entrepreneurs and all out efforts should be made to achieve the targets fixed for the exhibitions under PMEGP.
 - e. The Committee recommended that to enable more number of unemployed persons to take advantage of the scheme, smaller and viable projects should be promoted under PMEGP scheme and KVIC should issue guidelines in this regard.
3. The contents of the above circular may be discussed in the State Level Bankers Committee (SLBC) and State Level Monitoring Committee (SLMC) being held under the Chairmanship of Principal Secretary, Industries and circulate to all concerned.

4. Action taken on the above suggestions may please be intimated to Directorate of PMEGP for further necessary action.
