

# While others learn, he earns

Shri Uttam Kumar Das is a dynamic young man. He was full of urge to set up a manufacturing unit of exercise books. He is having adequate experience in the activity. But, financial constraint was the main barrier in setting up the unit. He took financial assistance for the project cost of Rs. 2.00 lakh from a bank under the scheme of Prime Minister's Employment Generation Programme (PMEGP) and set up a unit of book binding and manufacturing of Khata, Registers etc. In the first year of operation, the unit had shown good results and the annual turnover has reached to Rs. 5.00 lakh by providing employment opportunities to 5 persons.

The entrepreneur hopes to register good business growth in the years ahead. He has a plan to set up another unit for manufacturing of file boards, file covers, writing pads etc.
