

# It is the result of preparations

Shri Bikram Saha is a resident of Amarpur. He could not complete his school education. He has set up a chanachur manufacturing unit, with a financial assistance for the project cost of Rs. 5.00 lakh availed under the scheme of Prime Minister's Employment Generation Programme (PMEGP). Within a span of one year, the unit has shown extraordinary performance, by recording an annual turnover of Rs. 48.00 lakh. He has been marketing products within the State. He has established an effective marketing network and chain throughout the State. Most of the workers employed in this unit are women. He wants to avail more Cash Credit limit for Working Capital from the Bank, as the business is very much encouraging.

“Success depends on perseverance, continuous learning about the industry and hard work”, says the proud entrepreneur.
