

PMEGP tiled his Success

Shri Siddhartha Baisista, a graduate from Tripura University, has already been in the business of selling sanitary pipes, fittings etc. for quite some time. He could assess the growing demand of chaker tiles in the market. Chaker tiles are used for decorating the lawn and verandah of a house. He set up the unit of manufacturing of Chaker tiles, after taking a bank loan for the project cost of Rs. 6.20 lakh under the scheme of PMEGP. Good quality of chaker tiles are being manufactured in his unit. He has already captured a good market in Udaipur region. He has created job opportunities for four persons at his unit. He has a plan to manufacture different varieties of chaker tiles in future to expand the business. Annual turnover of the unit has reached Rs. 20.00 lakh by providing employment opportunities to 7 persons.
