

With PMEGP, his dreams are soaring in sky

Shri Laxman Chatterjee, after completion of his Diploma in Engineering, waited long time for a Government job. As he was at his wit's end, he attended an awareness camp on the scheme of PMEGP, which motivated him to set up a unit of his own. He studied and assessed the ever increasing demand for bricks in the local market. He set up a brick kiln with a bank loan for the project cost of Rs 25.00 lakh received under PMEGP. In the first year of his operations, the unit had shown significant progress and the annual turnover of the unit has reached to Rs. 95.00 lakh by providing employment to 200 persons. "This scheme would certainly help in eradicating unemployment", he feels.

He feels extremely happy by remembering that once
