

Food is the most delightful business, when done well

Contrary to what people say, food does matter. Demand for good food and catering services has been and will always remain as a first preference of the people.

Shri Varghese believed the truth that food matters, so he studied catering course in Kerala and started his own enterprise M/s. Nandanana Restaurant, under the PMEGP Scheme of KVIC by availing a bank loan to the project cost of Rs. 5.00 lakh.

Demand for good hotels, which serve good food too has helped him in growing his enterprise. Within blink of an eye, the annual turnover of the business has reached Rs. 12.00 lakh, by providing gainful employment to 8 persons.

"We love what we do - we can't imagine another
