

Walking on path of retreading made him a successful entrepreneur

Shri Kamala Prasad Yadav's only dream was to set up his own enterprise instead of wondering for jobs in other States. With this dream, he visited KVIC, Divisional Office, Varanasi, where he was well well-versed about the benefits of the scheme of PMEGP. To take a chance, he approached Union Bank of India, Kerakat, Jaunpur Branch to avail a bank loan of Rs. 25.00 lakh for his enterprise M/s. Sai Nath Rubber Industry. Graduate Kamala Prasad had working experience in tyre retreading activity, which helped him to set up his activity skillfully and grow qualitatively. Within a short period, annual turnover of his unit grew three folds to Rs. 80.00 lakh, by providing employment opportunities to 12 persons.
