

PMEGP proved to be a guiding lamp for him

After completing his graduation Shri Rupesh Ashok Bhai Patel, indulged himself in the work of lamination, which was not sufficient enough to support livelihood of his family. Thus, he always dreamed to set up his own Production house. Since other members of his family were working for a packaging industry, it also encouraged Ashok bhai to establish his own packaging unit.

He came to know about PMEGP scheme in an advertisement in local newspaper. To know more about it, he contacted State Office, Ahmedabad. He established his enterprise by availing bank loan to the Project cost of Rs.24.50 lakh. At present 15 persons are employed in his unit M/s Shivam Packaging which is manufacturing corrugated box Rolls and Sheets. The annual turnover of the unit has multiplied five times within short period of time. The annual turnover of the unit has reached Rs 120.00 lakh.

Shri Rupesh is thankful to KVIC's PMEGP Scheme,
