

# He stopped not till he reached the Goal

Jagroop Singh is just VII standard pass, who established the “Roop Agro Industries”, which manufactures Combine and Combine Parts.

Shri Jagroop Singh availed a bank loan for the project cost of Rs. 24.00 lakhs from SBI, Patiala to set up PMEGP unit. Hard work, dedication and determination of Shri Singh charted the path to his success. Within a short span of three years, the unit started rolling out returns and the annual turnover of the unit grew beyond his expectation and reached to the level of Rs. 230.00 lakh. Jagroop Singh has provided employment opportunities to 19 persons. The products manufactured by this enterprise are made out of the best quality raw material and quality production is the forte of the unit.

The unit also provides healthy and safe working environment, says Shri Singh.
