11th Pass Shavini Khar, had a dream to become a photographer, she loved photography. But capital to set up the equipped lab was the hurdle in turning her dream into reality.

One fine day through advertisement in Media, she came to know about providing financial assistance being provided for setting up of units. Not wasting her time she approached KVIB for establishing her own enterprise "Komal Photo Colour Lab", with the project cost of Rs.10,00,000. Her dream came true has also become source of income generation of another 9 persons assisting her.

With the annual turnover of Rs.20,00,000 she is paying wages Rs.2,28,000 to her employees.

Thanks to PMEGP I am living my dream , she exclaims.
