No: PMEGP/KVIC/DLTFC/2010-11

January 6, 2011

CIRCULAR

Sub:- Promoting viable PMEGP projects through DLTFC

During various review meetings and workshops it has been
to reduce the size of project proposals
accommodate larger number of
This reduces the viability of the project and also
and discourages bank from sanctioning
The issue was discussed in detail in the zonal review
meeting at Guwahati on 5th Oct.2010 and on 16th Dec.2010.
Principal Secretary, Assam informed that special guidelines have
also been issued to DLTFC to ensure the minimum of Rs. 5.00
project size under service projects and minimum of Rs.
10.00 lakhs size for manufacturing projects should be
recommended to ensure proper viability and greater
employment potential.

2. The analysis of the project size available during 2009-10
reveals that projects upto Rs. 2.00 lakhs are 35% of the total
sanction. As such small projects are not viable and also do not
generate the employment required for creating rural and urban
industrialization required by the scheme.

3. Accordingly it is brought to the notice of all the
State/Divisional Directors, Zonal Dy. CEOs to take up the matter
seriously and ensure the following in the matter:-

(i) Prepare viable model projects in the range of Rs. 5.00
lakhs to Rs. 10.00 lakhs for service projects and Rs. 10.00 lakhs
and above for manufacturing projects in consultation with KVIB,
DIC and banks and forward the same in soft copy to Directorate
of PMEGP to upload on the website. The project should be state
specific and take into account the local raw materials, local skills
and other local parameters. The project should be vetted by the lead bank of the State. This should be completed by 1st February, 2011 positively.

(ii) The applicants should be encouraged to take up viable projects generating large employment potential during counseling, awareness camp, workshop etc.

(iii) Special care should be taken in DLTFC that projects are not down scaled during scrutiny and viable projects with greater employment potential should be encouraged for forwarding to banks.

(iv) State/Divisional Directors should immediately act on the above guidelines and also publicize the same to all concerned agencies like DIC, KVIB, banks, potential beneficiaries etc. The matter should also be put up in SLBC and State Level Monitoring Committee and appropriate forums.

(v) State/Divisional Directors should collect the agency-wise (KVIC, KVIB, DIC) project size under PMEGP for the year 2008-09, 2009-10 and 2010-11 (upto 31.12.2010) and forward to Director, PMEGP immediately.

4. The above guidelines may be complied with and forward to Director, PMEGP immediately and Zonal Dy.CEOs should monitor and send compliance report to the undersigned with a copy to Director (PMEGP).
