The Integrated Child Development Services (ICDS) Scheme is aimed at holistic development of children and pregnant/lactating mothers from disadvantaged sections, by providing services through Anganwadi Centres such as supplementary nutrition, immunization, health check-up, referral services, pre-school and non-formal education. A certain percentage of the ICDS projects and Anganwadi Centres will be located in blocks/villages with a substantial population of minority communities to ensure that the benefits of this scheme are equitably available to such communities also.

(2) Improving access to School Education

Under the Sarva Shiksha Abhiyan, the Kasturba Gandhi Balika Vidyalaya Scheme, and other similar Government schemes, it will be ensured that a certain percentage of all such schools are located in villages/localities having a substantial population of minority communities.

(3) Greater resources for teaching Urdu

Central assistance will be provided for recruitment and posting of Urdu language teachers in primary and upper primary schools that serve a population in which at least one-fourth belong to that language group.

(4) Modernizing Madarsa Education

The Central Plan Scheme of Area Intensive and Madarsa Modernization Programme provides basic educational infrastructure in areas of concentration of educationally backward minorities and resources for the modernization of Madarsa education. Keeping in view the importance of addressing this need, this programme will be substantially strengthened and implemented effectively.

(6) Improving educational infrastructure through the Maulana Azad Education Foundation

The Government shall provide all possible assistance to Maulana Azad Education Foundation (MAEF) to strengthen and enable it to expand its activities more effectively.

(B) Equitable Share in Economic Activities and Employment

(7) Self-Employment and Wage Employment for the poor

(a) The Swarnjayanti Gram Swarojgar Yojana (SGSY), the primary self-employment programme for rural areas, has the objective of bringing assisted poor rural families above the poverty line by providing them income generating assets through a mix of bank credit and Governmental subsidy. A certain percentage of the physical and financial targets under the SGSY will be earmarked for beneficiaries belonging to the minority communities living below the poverty line in rural areas.

(b) The Swarn Jayanti Shahari Rojgar Yojana (SJSRY) consists of two major components namely, the Urban Self-Employment Programme (USEP) and the Urban Wage Employment Programme (UWEP). A certain percentage of the physical and financial targets under USEP and UWEP will be earmarked to benefit people below the poverty line from the minority communities.

(8) Upgradation of skills through technical training

A very large proportion of the population of minority communities is engaged in low-level technical work or earns its living as handicraftsmen. Provision of technical training to such people would upgrade their skills and earning capability. Therefore, a certain proportion of all new ITIs will be located in areas predominantly inhabited by minority communities and a proportion of existing ITIs to be upgraded to 'Centres of Excellence' will be selected on the same basis.

(9) Enhanced credit support for economic activities

The Government is committed to strengthen the NMDFC by providing it greater equity support to enable it to fully achieve its objectives.

The priority sector includes, inter alia, agricultural loans, loans to small-scale industries & small business, loans to
retail trade, professional and self-employed persons, education loans, housing loans and micro-credit. It will be ensured that an appropriate percentage of the priority sector lending in all categories is targeted for the minority communities.

(10) Recruitment to State and Central Services

(a) In the recruitment of police personnel, State Governments will be advised to give special consideration to minorities. For this purpose, the composition of selection committees should be representative.

(b) The Central Government will take similar action in the recruitment of personnel to the Central police forces.

(c) Large scale employment opportunities are provided by the Railways, nationalized banks and public sector enterprises. In these cases also, the concerned departments will ensure that special consideration is given to recruitment from minority communities.

(d) An exclusive scheme will be launched for candidates belonging to minority communities to provide coaching in government institutions as well as private coaching institutes with credibility.

(C) Improving the conditions of living of minorities

(11) Equitable share in rural housing scheme

The Indira Awaas Yojana (IAY) provides financial assistance for shelter to the rural poor living below the poverty line. A certain percentage of the physical and financial targets under IAY will be earmarked for poor beneficiaries from minority communities living in rural areas.

(12) Improvement in condition of slums/areas inhabited by minority communities

(a) Under the schemes of Integrated Housing & Slum Development Programme (IHSDP) and Jawaharlal Nehru National Urban Renewal Mission (JNNURM), the Central Government provides assistance to States/UTs for development of urban slums through provision of physical amenities and basic services. It would be ensured that the benefits of these programmes flow equitably to members of the minority communities and to cities/slums, predominantly inhabited by minority communities.

(b) Under Urban Infrastructure and Governance (UIG) scheme, Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT) and National Rural Drinking Water Programme (NRDWP), the Central Government provides assistance to States/UTs for provision of infrastructure and basic services.
